Notice of Watershed Maintenance Bids

The Pickens Soil & Water Conservation District Board along with the Georges Creek Watershed Board is accepting bids for watershed maintenance to mow watershed dams.

There are seven watershed dams in the Twelve Mile Watershed that the PSWCD Board is responsible for maintaining and one watershed dam in the Georges Creek Watershed that the Georges Creek Watershed Board is responsible for maintaining.

Please contact the Pickens Soil & Water Conservation District if you would like to submit a bid package.
Email: pickensswcd@gmail.com or Phone: 864-878-6155

Bid packages are due on or before Monday, August 31, 2026 by 2:00 p.m.

Interested Contractors:

Completed Bid Package must be received by the Pickens Soil & Water Conservation District office at 144 McDaniel Avenue, Pickens, SC 29671, by 2:00 p.m., on or before Monday, August 31, 2026.

Should you have any questions or concerns, please contact the Pickens Soil & Water Conservation District by Email: pickensswcd@gmail.com or Phone: 864-878-6155.
